

PLAY - LEARN - GROW

HIKARU

CHESS ELITES

Learn the board like a game worth mastering - missions, real matches, and skills that grow with you.

KIDS TRAINING

FOR YOUNG PLAYERS

Chess that still feels like play

Knights hop. Rooks run straight. Kings stay brave but careful. Hikaru turns rules into stories and practice into missions - then you play for real every week.

01

Learn

Pieces with purpose.

Meet each piece through stories and small missions before diving into heavy theory.

02

Play

Real games, every week.

Practice seats, mini-matches, and fair play - you get better by actually sitting at the board.

03

Level up

Ready for more?

When you want sharper calculation, school clubs and private coaching open next.

- FUN FIRST - DISCIPLINE WITHOUT KILLING CURIOSITY
- CLEAR GOALS EACH SESSION SO YOU KNOW THE MISSION
- FRIENDS AT THE BOARD AND RESPECTFUL COMPETITION
- COACHES WHO EXPLAIN, NOT JUST LECTURE
- A PATH FROM FIRST MOVES TO SERIOUS IMPROVEMENT
